SUBJECT: "MANAGING FOR SUCCESS" WORKSHOP

The Capacity Building Unit of the Workforce Investment Division is now offering training for youth case management under the Workforce Investment Act (WIA).

This one-day workshop is intended for front line youth practitioners and other individuals working with youth in a WIA environment. It is an exciting, interactive class that will stimulate dialogue and provide practical ways to help prevent negative outcomes. The class will focus on youth case management under WIA. The course covers eligibility and documentation, individual service strategies, and post exit strategies, all within the context of effective case management. The class is designed for 25 participants. Allow 60 days lead-time from the submission of your training request to accommodate planning schedules.

Pilots for this class are scheduled for September 18, 2002, in Orange, California, and September 26, 2002, in Ventura, California. The contact person for Orange is Cynthia Aguirre at (714) 567-7520. The contact person for Ventura is Genesa Dawson at (805) 240-7016.

We will be traveling down the "Follow-em-up" River: Don't be caught up the creek without a paddle!

Local Workforce Investment Areas may request to host this workshop immediately by contacting Terri Austin at (916) 653-4471 or e-mail tangelo@edd.ca.gov.
